WORK
A Journal of Prevention, Assessment & Rehabilitation

Subject index

Volume 5 (1995)

Accreditation; Quality; Outcome; Work; Responsiveness **5**, 107

Activities of daily living abilities; Nondisabled; Blue-collar workers; Middle-aged workers; Vocational competencies **5**, 27

Adaptation; Employees; New disability; Assessment; Work break; Rehabilitation; Job retention **5**, 37

Americans with Disabilities Act; Occupational Safety and Health Administration; Repetitive motion injury; Workers compensation; Injury prevention **5**, 133

Assessment; Employees; New disability; Work break; Adaptation; Rehabilitation; Job retention **5**, 37

Assessment; Health care market; Knowledge; Marketing; Occupational therapy; Rehabilitation; Work **5**, 157

Attention; Automobile driving; Useful field of view **5**, 277

Automobile driving; Useful field of view; Attention **5**, 277

Back injury; Worker; Word hardening; Return to work; Team **5**, 143

Blame scale; Empirical findings; Vignettes **5**, 265

Blue-collar workers; Nondisabled; Middle-aged workers; Activities of daily living abilities; Vocational competencies **5**, 27

Career change; Transition; Cumulative trauma **5**, 99

Carpal tunnel release surgery; Carpal tunnel syndrome; Therapeutic intervention; Ergonomics **5**, 311

Carpal tunnel syndrome; Cumulative trauma; Occupational therapy; Rehabilitation; Recovery; Variables **5**, 291

Carpal tunnel syndrome; Occupational therapy; Education; Dental hygienists; Risk behaviors; Outcome study **5**, 243

Carpal tunnel syndrome; Therapeutic intervention; Carpal tunnel release surgery; Ergonomics **5**, 311

Children; Mental retardation; Work; Education; Curriculum **5**, 185

Chronic musculoskeletal pain; Ergonomics; Work technique; Neck; Shoulder; Neurogenic pain; Rehabilitation medicine; Occupational therapy **5**, 173

Community contribution; Elderly; Post-retirement **5**, 71

Community employment; Transition; Public school practice **5**, 79

Compensation; Vocational assessment; Legal; Personal injury **5**, 17

Computers; Severe physical disabilities; Technology; Training; Psychosocial; Vocational rehabilitation; Employment **5**, 85

Cost; Ergonomics; Effectiveness **5**, 123

Criterion norms; Work assessment; Vocational assessment; Work hardening; Occupational therapy education; Cut-off point; Performance test; Therapeutic tool **5**, 23

Cumulative trauma; Carpal tunnel syndrome; Occupational therapy; Rehabilitation; Recovery; Variables **5**, 291

Cumulative trauma; Transition; Career change **5**, 99

Curriculum; Mental retardation; Children; Work; Education **5**, 185

Curriculum; Occupation; Work **5**, 167

Cut-off point; Work assessment; Vocational assessment; Work hardening; Occupational therapy education; Criterion norms; Performance test; Therapeutic tool **5**, 23

Dental hygienists; Occupational therapy; Carpal tunnel syndrome; Education; Risk behaviors; Outcome study **5**, 243

Education; Ergonomics **5**, 191

Education; Ethics; Healthcare; Human immunodeficiency virus (HIV) **5**, 301

Education; Mental retardation; Children; Work; Curriculum **5**, 185

Education; Occupational therapy; Carpal tunnel syndrome; Dental hygienists; Risk behaviors; Outcome study **5**, 243

Effectiveness; Ergonomics; Cost **5**, 123

Elderly; Post-retirement; Community contribution **5**, 71

Empirical findings; Blame scale; Vignettes **5**, 265

Employability institutes; Rehabilitation medicine; Sick-leave **5**, 205

Employees; New disability; Assessment; Work break; Adaptation; Rehabilitation; Job retention **5**, 37

Employment; Severe physical disabilities; Computers; Technology; Training; Psychosocial; Vocational rehabilitation **5**, 85

Employment; Vocational continuum; Integration; Mental health; Work **5**, 3

Employment barriers; People with disabilities; Vocational rehabilitation **5**, 255

Employment services; Occupational therapy; Scotland **5**, 11

Ergonomic evaluation; Technical evaluation; Eye-controlled computer; Eyegaze; Head-controlled mouse **5**, 213

Ergonomics; Carpal tunnel syndrome; Therapeutic intervention; Carpal tunnel release surgery **5**, 311

Ergonomics; Cost; Effectiveness **5**, 123

Ergonomics; Education **5**, 191

Ergonomics; Occupational health; Injury prevention; Musculoskeletal work injury; Return-to-work; Industrial rehabilitation; Model prevention program **5**, 115

Ergonomics; Work technique; Chronic musculoskeletal pain; Neck; Shoulder; Neurogenic pain; Rehabilitation medicine; Occupational therapy **5**, 173

Ethics; Education; Healthcare; Human immunodeficiency virus (HIV) **5**, 301

Evaluation tools; Older worker; Normative data **5**, 319

Exemplary work rehabilitation scheme; Mental health; Work rehabilitation; Innovation; Good practice **5**, 41

Eye-controlled computer; Ergonomic evaluation; Technical evaluation; Eyegaze; Head-controlled mouse **5**, 213

Eyegaze; Ergonomic evaluation; Technical evaluation; Eye-controlled computer; Head-controlled mouse **5**, 213

Good practice; Mental health; Work rehabilitation; Innovation; Exemplary work rehabilitation scheme **5**, 41

Head-controlled mouse; Ergonomic evaluation; Technical evaluation; Eye-controlled computer; Eyegaze **5**, 213

Health care market; Assessment; Knowledge; Marketing; Occupational therapy; Rehabilitation; Work **5**, 157

Healthcare; Education; Ethics; Human immunodeficiency virus (HIV) **5**, 301

Human immunodeficiency virus (HIV); Education; Ethics; Healthcare **5**, 301

Industrial rehabilitation; Ergonomics; Occupational health; Injury prevention; Musculoskeletal work injury; Return-to-work; Model prevention program **5**, 115

Injury prevention; Ergonomics; Occupational health; Musculoskeletal work injury; Return-to-work; Industrial rehabilitation; Model prevention program **5**, 115

Injury prevention; Occupational Safety and Health Administration; Americans with Disabilities Act; Repetitive motion injury; Workers compensation **5**, 133

Innovation; Mental health; Work rehabilitation; Good practice; Exemplary work rehabilitation scheme **5**, 41

Integration; Vocational continuum; Mental health; Work; Employment **5**, 3

Job retention; Employees; New disability; Assessment; Work break; Adaptation; Rehabilitation **5**, 37

Job satisfaction; Male occupational therapist; Occupational therapy personnel; Recruitment and retention issues **5**, 51

Knowledge; Assessment; Health care market; Marketing; Occupational therapy; Rehabilitation; Work **5**, 157

Legal; Vocational assessment; Personal injury; Compensation **5**, 17

Male occupational therapist; Job satisfaction; Occupational therapy personnel; Recruitment and retention issues **5**, 51

Marketing; Assessment; Health care market; Knowledge; Occupational therapy; Rehabilitation; Work **5**, 157

Mental health; Vocational continuum; Integration; Work; Employment **5**, 3

Mental health; Work rehabilitation; Innovation; Good practice; Exemplary work rehabilitation scheme **5**, 41

Mental retardation; Children; Work; Education; Curriculum **5**, 185

Middle-aged workers; Nondisabled; Blue-collar workers; Activities of daily living abilities; Vocational competencies **5**, 27

Model prevention program; Ergonomics; Occupational health; Injury prevention; Musculoskeletal work injury; Return-to-work; Industrial rehabilitation **5**, 115

Musculoskeletal work injury; Ergonomics; Occupational health; Injury prevention; Return-to-work; Industrial rehabilitation; Model prevention program **5**, 115

Neck; Ergonomics; Work technique; Chronic musculoskeletal pain; Shoulder; Neurogenic pain; Rehabilitation medicine Occupational therapy **5**, 173

Neck pain; Occupational therapy; Rehabilitation; Work capacity assessment and evaluation **5**, 223

Neurogenic pain; Ergonomics; Work technique; Chronic musculoskeletal pain; Neck; Shoulder; Rehabilitation medicine; Occupational therapy **5**, 173

New disability; Employees; Assessment; Work break; Adaptation; Rehabilitation; Job retention **5**, 37

Nondisabled; Blue-collar workers; Middle-aged workers; Activities of daily living abilities; Vocational competencies **5**, 27

Normative data; Older worker; Evaluation tools **5**, 319

Occupation; Work; Curriculum **5**, 167

Occupational health; Ergonomics; Injury prevention; Musculoskeletal work injury; Return-to-work; Industrial rehabilitation; Model prevention program **5**, 115

Occupational Safety and Health Administration; Americans with Disabilities Act; Repetitive motion injury; Workers compensation; Injury prevention **5**, 133

Occupational therapy; Assessment; Health care market; Knowledge; Marketing; Rehabilitation; Work **5**, 157

Occupational therapy; Carpal tunnel syndrome; Cumulative trauma; Rehabilitation; Recovery; Variables **5**, 291

Occupational therapy; Carpal tunnel syndrome; Education; Dental hygienists; Risk behaviors; Outcome study **5**, 243

Occupational therapy; Employment services; Scotland **5**, 11

Occupational therapy; Ergonomics; Work technique; Chronic musculoskeletal pain; Neck; Shoulder; Neurogenic pain; Rehabilitation medicine **5**, 173

Occupational therapy; Neck pain; Rehabilitation; Work capacity assessment and evaluation **5**, 223

Occupational therapy education; Work assessment; Vocational assessment; Work hardening; Criterion norms; Cut-off point; Performance test; Therapeutic tool **5**, 23

Occupational therapy personnel; Job satisfaction; Male occupational therapist; Recruitment and retention issues **5**, 51

Older worker; Evaluation tools; Normative data **5**, 319

Organisation of labour market; Vocational rehabilitation; Sweden; Praot; Uppsala **5**, 197

Outcome; Quality; Work; Accreditation; Responsiveness **5**, 107

Outcome study; Occupational therapy; Carpal tunnel syndrome; Education; Dental hygienists; Risk behaviors **5**, 243

People with disabilities; Employment barriers; Vocational rehabilitation **5**, 255

Performance test; Work assessment; Vocational assessment; Work hardening; Occupational therapy education; Criterion norms; Cut-off point; Therapeutic tool **5**, 23

Personal injury; Vocational assessment; Legal; Compensation **5**, 17

Post-retirement; Elderly; Community contribution **5**, 71

Praot; Vocational rehabilitation; Sweden; Organisation of labour market; Uppsala **5**, 197

Psychosocial; Severe physical disabilities; Computers; Technology; Training; Vocational rehabilitation; Employment **5**, 85

Public school practice; Transition; Community employment **5**, 79

Quality; Outcome; Work; Accreditation; Responsiveness **5**, 107

Recovery; Carpal tunnel syndrome; Cumulative trauma; Occupational therapy; Rehabilitation; Variables **5**, 291

Recruitment and retention issues; Job satisfaction; Male occupational therapist; Occupational therapy personnel **5**, 51

Rehabilitation; Assessment; Health care market; Knowledge; Marketing; Occupational therapy; Work **5**, 157

Rehabilitation; Carpal tunnel syndrome; Cumulative trauma; Occupational therapy; Recovery; Variables **5**, 291

Rehabilitation; Employees; New disability; Assessment; Work break; Adaptation; Job retention **5**, 37

Rehabilitation; Neck pain; Occupational therapy; Work capacity assessment and evaluation **5**, 223

Rehabilitation medicine; Ergonomics; Work technique; Chronic musculoskeletal pain; Neck; Shoulder; Neurogenic pain; Occupational therapy **5**, 173

Rehabilitation medicine; Sick-leave; Employability institutes **5**, 205

Repetitive motion injury; Occupational Safety and Health Administration; Americans with Disabilities Act; Workers compensation; Injury prevention **5**, 133

Responsiveness; Quality; Outcome; Work; Accreditation **5**, 107

Return to work; Back injury; Worker; Word hardening; Team **5**, 143

Return-to-work; Ergonomics; Occupational health; Injury prevention; Musculoskeletal work injury; Industrial rehabilitation; Model prevention program **5**, 115

Risk behaviors; Occupational therapy; Carpal tunnel syndrome; Education; Dental hygienists; Outcome study **5**, 243

Scotland; Employment services; Occupational therapy **5**, 11

Severe physical disabilities; Computers; Technology; Training; Psychosocial; Vocational rehabilitation; Employment **5**, 85

Shoulder; Ergonomics; Work technique; Chronic musculoskeletal pain; Neck; Neurogenic pain; Rehabilitation medicine; Occupational therapy **5**, 173

Sick-leave; Rehabilitation medicine; Employability institutes **5**, 205

Sweden; Vocational rehabilitation; Organisation of labour market; Praot; Uppsala **5**, 197

Team; Back injury; Worker; Word hardening; Return to work **5**, 143

Technical evaluation; Ergonomic evaluation; Eye-controlled computer; Eyegaze; Head-controlled mouse **5**, 213

Technology; Severe physical disabilities; Computers; Training; Psychosocial; Vocational rehabilitation; Employment **5**, 85

Therapeutic intervention; Carpal tunnel syndrome; Carpal tunnel release surgery; Ergonomics **5**, 311

Therapeutic tool; Work assessment; Vocational assessment; Work hardening; Occupational therapy education; Criterion norms; Cut-off point; Performance test **5**, 23

Training; Severe physical disabilities; Computers; Technology; Psychosocial; Vocational rehabilitation; Employment **5**, 85

Transition; Community employment; Public school practice **5**, 79

Transition; Cumulative trauma; Career change **5**, 99

Uppsala; Vocational rehabilitation; Sweden; Organisation of labour market; Praot **5**, 197

Useful field of view; Automobile driving; Attention **5**, 277

Variables; Carpal tunnel syndrome; Cumulative trauma; Occupational therapy; Rehabilitation; Recovery **5**, 291

Vignettes; Blame scale; Empirical findings **5**, 265

Vocational assessment; Legal; Personal injury; Compensation **5**, 17

Vocational assessment; Work assessment; Work hardening; Occupational therapy education; Criterion norms; Cut-off point; Performance test; Therapeutic tool **5**, 23

Vocational competencies; Nondisabled; Blue-collar workers; Middle-aged workers; Activities of daily living abilities **5**, 27

Vocational continuum; Integration; Mental health; Work; Employment **5**, 3

Vocational rehabilitation; Employment barriers; People with disabilities **5**, 255

Vocational rehabilitation; Severe physical disabilities; Computers; Technology; Training; Psychosocial; Employment **5**, 85

Vocational rehabilitation; Sweden; Organisation of labour market; Praot; Uppsala **5**, 197

Word hardening; Back injury; Worker; Return to work; Team **5**, 143

Work; Assessment; Health care market; Knowledge; Marketing; Occupational therapy; Rehabilitation **5**, 157

Work; Mental retardation; Children; Education; Curriculum **5**, 185

Work; Occupation; Curriculum **5**, 167

Work; Quality; Outcome; Accreditation; Responsiveness **5**, 107

Work; Vocational continuum; Integration; Mental health; Employment **5**, 3

Work assessment; Vocational assessment; Work hardening; Occupational therapy education; Criterion norms; Cut-off point; Performance test; Therapeutic tool **5**, 23

Work break; Employees; New disability; Assessment; Adaptation; Rehabilitation; Job retention **5**, 37

Work capacity assessment and evaluation; Neck pain; Occupational therapy; Rehabilitation **5**, 223

Work hardening; Work assessment; Vocational assessment; Occupational therapy education; Criterion norms; Cut-off point; Performance test; Therapeutic tool **5**, 23

Work rehabilitation; Mental health; Innovation; Good practice; Exemplary work rehabilitation scheme **5**, 41

Work technique; Ergonomics; Chronic musculoskeletal pain; Neck; Shoulder; Neurogenic pain; Rehabilitation medicine; Occupational therapy **5**, 173

Worker; Back injury; Word hardening; Return to work; Team **5**, 143

Workers compensation; Occupational Safety and Health Administration; Americans with Disabilities Act; Repetitive motion injury; Injury prevention **5**, 133
